To,

The Director (Examination)  
Biju Patnaik University of Technology,  
Rourkela.

Subject: Request for modification in syllabus.

Respected Sir,

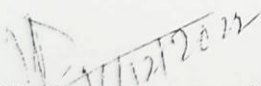

Several departments have raised concerns that our curriculum needs to be updated to align with current industry requirements. The Heads of Departments (HODs) from various branches have consulted with industry experts, alumni, and recruiters. After thorough discussions within their respective departments and peer teams, they have proposed modifications to the syllabus, including the introduction of cutting-edge technologies that are in high demand in the industry.

Enclosed are the reports from the core engineering branches (Mechanical, Civil, and Electrical and Electronics Engineering), the emerging technology branches (Computer Science and Engineering with specializations in AI/ML and Data Science), MCA and MBA courses.

We kindly request that this matter be included in the agenda for the upcoming Board of Studies.

Thank you for your attention to this important matter.

Thanking you,  
Yours faithfully,

  
Prof. (Dr.) D. R. Pattanayak  
Principal
