### **SDG 17: PARTNERSHIP TO ACHIEVE THE GOAL**

The SACRED (Sustainable Action for Climate Resilient Enviro-social Development) Foundation collaborates with the Trident Academy of Technology to drive impactful initiatives that address environmental and social challenges in Odisha. As a registered Section 8 non-profit, SACRED Foundation is dedicated to fostering climate-resilient communities by aligning its initiatives with the United Nations Sustainable Development Goals (UN SDGs). In partnership with the Trident Academy of Technology, the foundation integrates sustainability education with practical, hands-on experience, equipping students to become future leaders in climate resilience and socio-environmental stewardship.

Together, SACRED Foundation and Trident Academy of Technology aim to create a meaningful impact by promoting sustainable practices and community-driven solutions to address critical issues such as climate change, resource conservation, and social advancement. Through this collaborative approach, they strive to nurture environmentally responsible citizens and support Odisha's journey toward a sustainable, climate-resilient future.
