1.4.3-PROGRAMMES FOR SERVICES ACCESS YEAR: 2023-2024

Plate 2- Trident Academy of Technology observed **Human Rights Day** to promote awareness of equality, dignity, and justice for all. The event featured talks, poster presentations, and discussions highlighting the importance of protecting fundamental rights and fostering social harmony. Students and faculty actively participated, reaffirming their commitment to upholding human values and inclusivity. The program reflected Trident's dedication to building a just, respectful, and compassionate campus community

Plate 3- Trident Academy of Technology, in collaboration with Ashwini Hospital, organized a Menstrual Health and Hygiene Awareness Camp on Feb 2024. Women faculty and students participated, with 45 receiving diagnostic check-ups. The event featured a student-led play on menstrual hygiene and medical advice from Ashwini Hospital staff, emphasizing hygiene's importance.

Plate 4- The Vanamahotsav 2024 celebration at Trident Academy of Technology was a resounding success, promoting environmental awareness and afforestation. The event featured a prize distribution ceremony led by Chief Guest Mr. Avijit Mandal (Dir, NALCO), recognizing students' achievements in academics and co-curricular activities. A plantation drive followed, where 86 students planted around 150 indigenous saplings to enhance the campus's green cover.

Description

Trident Academy of Technology engaged in several community-focused initiatives, including a food and clothing drive for underprivileged individuals by the Kartavya Club and NSS. Additionally, an Human rights Program educated students, while a Menstrual Health Camp promoted hygiene awareness. The successful Vanamahotsav 2024 featured a plantation drive, enhancing the campus's green cover.
