15.2.3 MAINTAIN AND EXTEND CURRENT ECOSYSTEMS' BIODIVERSITY

Plate 1- Plogging Drive:

Students of the Kartavya Club from Trident Academy of Technology organized a **Plogging Drive** along the banks of the Mahanadi River in Cuttack to promote cleanliness and environmental responsibility. Combining jogging with litter collection, the initiative aimed to raise awareness about reducing plastic waste and maintaining riverfront hygiene. The activity encouraged fitness, community participation, and a collective commitment to keeping public spaces clean and sustainable.

Plate 2- Ocean coastal clean up day at PURI Beach

The Kartavya Club of Trident Academy of Technology observed **Ocean Coastal Cleanup Day** at Puri Beach, focusing on protecting marine life and promoting environmental awareness. Students enthusiastically participated in collecting plastic waste, bottles, and other debris from the shoreline. The initiative aimed to spread the message of ocean conservation, responsible tourism, and reducing marine pollution, reflecting Trident's commitment to sustainability and coastal ecosystem preservation.

Plate 3- FOREST PROTECTION AWARD

Mr. Manas Ranjan Senapati, a student of Trident Academy of Technology, has been honoured by the Forest and Environment Department, Government of Odisha, for his outstanding contributions to forest protection initiatives.

DESCRIPTION- The Kartavya Club of Trident Academy of Technology organized cleanliness drives promoting environmental awareness and sustainability. A Plogging Drive at Mahanadi River in Cuttack combined jogging with litter collection to reduce plastic waste and enhance riverfront hygiene. Similarly, during Ocean Coastal Cleanup Day at Puri Beach, students collected waste from the shoreline to protect marine life and promote responsible tourism, reinforcing Trident's commitment to environmental conservation. Such initiatives empower participants to adopt sustainable practices that protect these vital habitats. Additionally, TAT's commitment to forest protection was recognized through the Forest Protection Award presented to Mr. Manas Ranjan Senapati by Odisha's Forest and Environment Department, acknowledging his significant contributions to preserving local forests.
