Plate 1- Financial data disclosed in the website

### Plate 1- Financial data disclosed in the website -

**Plate 1-** Trident Academy of Technology (TAT) regularly discloses financial data on its website, ensuring transparency and accountability. This practice allows stakeholders, including students and staff, to access up-to-date information regarding the institution's financial performance, fostering trust and promoting responsible financial management within the academic community.

#### Description

Trident Academy of Technology is committed to transparency by publishing comprehensive financial data. This includes detailed reports on income, expenditures, and budget allocations, ensuring accountability to stakeholders. By making financial information readily accessible, the university fosters trust within the community, promotes informed decision-making, and reinforces its dedication to responsible financial management in support of its educational mission.
