Plate 1- COLLEGE HOSTEL COMMITTEE

Plate 1-

The College Hostel Committee, chaired by P.K. Sahoo (H.O.D., EEE), includes several superintendents and caretakers, alongside student representatives from various departments. The committee is responsible for maintaining facilities that support 1,200 inmates across three in-campus hostels, offering hygienic vegetarian and non-vegetarian meals, and communication services. Amenities include a small library, common room with TV, Wi-Fi access, a computer room, and medical facilities with first aid and a consulting room. Hostellers have access to the Central Library and a recreation hall with indoor games and subscriptions to newspapers. The committee also plans to implement a rooftop solar system for warm water.

Plate 2- Trident Academy's and Kartavya Club Host Successful Food and Dress Distribution Drive in Mundasahi.

Plate 2-

On April 1, 2024, the NSS Unit and Kartavya Club of Trident Academy of Technology jointly organized a **food and dress distribution drive** at **Mundasahi village** to extend support to underprivileged community members. The initiative was designed not only to meet the immediate needs of the beneficiaries but also to instill a spirit of empathy, compassion, and social responsibility among the participating students. During the event, student volunteers actively coordinated the distribution process, carefully assessing individual and family requirements to ensure fair and effective allocation of food and clothing items. This outreach program served as a valuable experiential learning opportunity, encouraging students to appreciate the importance of community engagement and humanitarian values. It reinforced Trident Academy's ongoing commitment to social welfare and inclusive development, inspiring participants to take part in future initiatives that contribute to building a more caring and equitable society.

2.3.2 STUDENTS HUNGER INTERVENTIONS.YEAR: 2023

Plate 3- Trident Academy's Kartavya Club Host Food Distribution Drive in each month near by Road side and Orphanages.

Plate 3-The Kartavya Club of Trident Academy of Technology organized a **food distribution drive** to extend support to underprivileged community members and promote social welfare in each month. The initiative focused on addressing immediate hunger needs while encouraging students to develop a sense of empathy and community service.

During the event, Kartavya volunteers took an active role in organizing and managing the distribution process. They prepared and distributed nutritious food packets to individuals and families, ensuring that the food reached those most in need. The food distribution drive not only provided essential support to the beneficiaries but also inspired students to take part in humanitarian and service-oriented activities. Through this meaningful engagement, the Kartavya Club reaffirmed its commitment to compassion, inclusivity, and community upliftment, aligning with Trident Academy's broader mission of fostering responsible citizenship among its students

Description

In 2024, Trident Academy of Technology implemented targeted interventions to prevent and alleviate student hunger. The institution established food supply programs, including access to on-campus food banks and pantries, ensuring that students facing food insecurity have access to nutritious meals. These initiatives provide essential support to students in need, helping them focus on their education without the burden of food scarcity. The evidence of these interventions is publicly available, showcasing the academy's commitment to student welfare. Through these efforts, Trident ensures that no student goes hungry and promotes a healthier, more inclusive learning environment.
