SDG 3.3.2: Health outreach programmes

### 3.3.2 Health Outreach Programmes

Plate 1- Awareness on Menstrual cycle and Health camp for women

Plate 2- An Health Camp exclusive for girls for nearby places

**Plate 1** - On Feb 10<sup>th</sup>, 2024 Trident Academy of Technology, in collaboration with KIIMS Hospital and NSS Bhubaneswar, organized a health camp and awareness session on the menstrual cycle for women faculty and students. Held at the Trident Seminar Hall, the event aimed to educate participants on maintaining proper hygiene. Medical staff from KIIMS Hospital provided valuable guidance and conducted health check-ups for 55 women. The event emphasized hygiene as a vital aspect of well-being and promoted self-awareness among participants.

Plate 2- On March 8 Trident Academy of Technology, through its **Kartavya Club**, organized a special **Health Camp exclusively for girls** from nearby communities. The initiative aimed to promote health awareness, hygiene, and well-being among young women and girls. The camp provided free health check-ups, counseling sessions, and guidance on nutrition and menstrual hygiene, conducted by qualified medical professionals and volunteers. Through this outreach effort, the Kartavya Club reaffirmed its commitment to community welfare and women's health empowerment, fostering awareness and ensuring access to basic healthcare services for girls in surrounding areas.

### Description

Trident Academy of Technology actively engages in health outreach programs aimed at improving community health and well-being. These initiatives cover a wide range of topics, including hygiene, nutrition, the college also conducts programs focused on sports, exercise, and mental health, often involving student volunteers.
