3.3.6 - Smoke Free Policy

### 3.3.6 - SMOKE FREE POLICY

Ref:			
Name of the policy	Smoke free Policy	Department responsible	All
Department	All	Prepared by	P.K.Navak
Effective date	11-4-2018	Checked by	Dr.D.N.Pattanayak
No. of pages	1	Approved by	Principal

1. Purpose:

The main objective of the tobacco and alcohol free Policy are to provide a health enhancing clean environment to the residents, to improve the air quality in the premises and to reduce the hardships and suffering faced by non smokers in the campus.

2. Responsible centre: Office of the Principal

3. Procedure:

The following procedures are to be adopted for the above:

- The use of smoke and tobacco is to be banned within the boundary of the Institute.
- The purchase and sale of smoking and tobacco are banned inside the Institute campus.
- Vehicles emitted smoke in excess of the permissible limit are to be banned from entering the Institute campus.
- Vehicles are to be monitor for the pollution testing certificates.

Plate 1- Smoke-free Policy

Plate 2- Induction program to first year students on Tobacco and Alcohol-Free campus.

**Plate 1-** The Tobacco and Alcohol-Free Policy is designed to foster a health-promoting campus environment, enhance air quality, and address the concerns of non-smokers. The Office of the Principal oversees its implementation through key measures, including a complete ban on smoking and tobacco use within institute premises, prohibiting the sale or purchase of tobacco products, and restricting the entry of vehicles that emit excessive smoke. Additionally, burning garbage and consuming alcohol or any intoxicants are strictly prohibited on campus. The policy also prioritizes awareness programs on the health and social impacts of substance use, supported by a Code of Conduct to ensure compliance. Any violation will be treated as a serious offense and subject to disciplinary action

### **Description:**

Trident Academy of Technology conducts an induction program for faculty and students each year to promote its Tobacco and Alcohol-Free Policy. This policy is further disseminated to stakeholders through the students' and staff handbooks, ensuring that everyone in the community is informed about the commitment to maintaining a healthy, substance-free campus.

Trident Academy of Technology has implemented a Tobacco and Alcohol-Free Policy to promote a healthier environment and improve air quality on campus. This policy prohibits smoking, the sale of tobacco, alcohol use, and the burning of garbage, while emphasizing awareness of the health impacts of drugs and enforcing strict disciplinary actions for violations.
