### 4.3.4: EDUCATION OUTREACH ACTIVITIES BEYOND

#### 4.3.4: EDUCATION OUTREACH ACTIVITIES

**Plate 1:** Students in the DDU-GKY program participate in practical sessions that provide hands-on experience in various vocational fields.

**Plate 2:** Trident Academy of Technology collaborates with the **Odisha Skill Development Authority (OSDA)** to provide advanced training and start-up support for students. Through this partnership, students gain hands-on experience, industry-relevant skills, and entrepreneurial exposure aligned with state and national development goals. Various programs, workshops, and incubation opportunities are conducted to enhance employability and innovation. This initiative empowers students to become skilled professionals and job creators reinforcing Trident's commitment to promoting skill-based education, entrepreneurship, and sustainable development in Odisha.

#### **Description:**

In 2024, Trident Academy of Technology expanded its educational outreach activities beyond campus by conducting tailored lectures, workshops, and demonstrations in local schools and community centres. These initiatives aimed to inspire learners of all ages and promote continuous learning in the community. The college offered free vocational training programs under the **DDU-GKY** and **OSDA** (Odisha skill development authority), providing practical skills and industry-relevant training to rural youth. This effort empowers disadvantaged individuals to enhance their employability and access various career opportunities. Through these outreach initiatives, Trident Academy demonstrates its commitment to community development, inclusive learning, and professional growth.
