### **6.5.5 PROMOTING CONSCIOUS WATER USAGE ON CAMPUS**

---

**Plate 2- Water Reuse Policy:** The Water Reuse Policy at Trident Academy of Technology aims to conserve water through preventive measures, reuse, and recycling. Responsibilities include collecting rainwater, treating and storing it, and ensuring compliance with standards. The policy also promotes the use of water-efficient appliances and educates the community on water conservation practices.

#### **DESCRIPTION**

Trident Academy of Technology celebrated World Water Day with seminars, workshops, and poster presentations to raise awareness on water conservation. Faculty and students pledged to protect water resources, explored water-saving techniques, and introduced campus initiatives to reduce waste. The academy's Water Reuse Policy promotes rainwater collection, treatment, and efficient water use.
