7. Affordable and Clean Energy

7.4.1 programs for local community

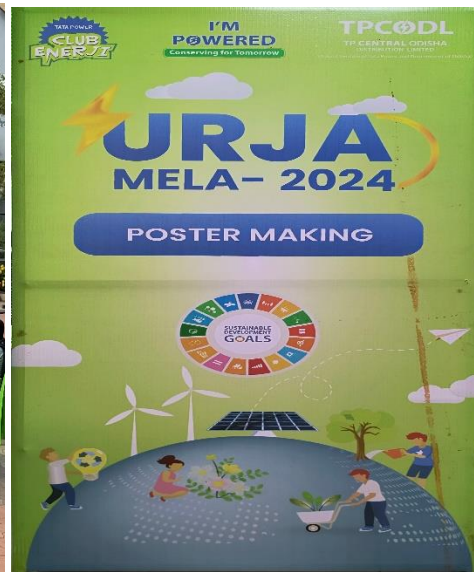

Plate 1- Water Day celebration in different local communities

Plate 1—URJA Mela: Trident College organized an "Urja Mela," a dedicated energy fair aimed at raising awareness of energy efficiency and sustainable practices within the local community. The event, which attracted students, local residents, and business owners, provided valuable insights into the importance of energy conservation and the benefits of adopting clean energy solutions.

DESCRIPTION

We conduct awareness and outreach drives educating local communities about energy conservation.

We conduct conclaves on campus and invite academia, experts, students from schools and members from local communities for knowledge sharing about energy conservation and the benefits of adopting clean energy solutions.
