SDG11: SUSTAINABLE CITIES & COMMUNITIES

11.4.3 Allow remote working

During pandemic, all the staff was allowed remote working. It resulted in saving of resources.

However at Trident Academy of Technology (TAT), e-governance initiatives focus on streamlining administrative processes, enhancing communication, and delivering seamless services to students, faculty, and staff. Key aspects include:

1. **Online Services:** Providing easy access to administrative, academic, and support services through online portals.
2. **Digital Communication:** Ensuring fast and effective communication across the campus via digital platforms.
3. **Automated Processes:** Implementing automation in administrative workflows to increase efficiency and reduce manual intervention.
4. **Transparency:** Promoting accountability and openness in campus operations and decision-making processes through accessible digital records.

These initiatives aim to create a responsive, efficient, and transparent administrative environment.
