Organizational Structure & Chart for day-to-day Operations & Management

10.10	Student feedback mechanism on Institutional Governance/ faculty performance	Semester-end feedback system has been instituted for institutional governance & faculty evaluation by students. The first set of feedback forms from the students has been evaluated and well thought out solutions for grievances have been worked out. The steps taken have also been duly documented which have been circulated among students which has had perceptible improvement in the students satisfaction index.
-------	---	---

10.11	Grievance redressal mechanism for faculty, staff and students	A senior Professor functions as the Dean(Student Affairs) and is responsible for grievance redressal of students. For the first year students, we have Teacher-students in the ratio of 1:30 for taking care of academic & personal problems of freshers. Staff & faculty members meet the Principal formally for day-to-day discussion of grievances.
